## Flu Vaccination 2021-22

St Margaret's Health Centre now has a supply of flu vaccines and had their first clinic on Saturday, 18 September 2021.

The practice will be vaccinating all patients that are aged 70 years or over, and those at highest risk of infection (similar to the shielding group during the Covid immunisation programme).

Why not use the Town Bus when you go to get your jag?

When booking your appointment please tell the staff at St Margaret's you intend to travel on the Town Bus.

*'Up and doon the Lang Toon ... use your Town Bus'*
